

# 2010 FIAC-ABR National Team Time Trial

Sunday, Sept 12, Leonore, IL  
54 Kilometers

Great Temps in the 70's & low 80's, very smooth paved roads in the bean and corn farmlands, no hills, little rolling terrain,, two turnarounds and only two right turns was the setting for fast times. But the wind picked up some and I heard that became an equalizer. About half the Teams dropped one member at some point during the their race.

Finish time was recorded when third Team member crossed the finish line, so it paid to keep the team together or at least three members.

BIG THANK YOU to the residents of Leonore and Smitty's Bar & Grill. We hope we were not too much of a disruption on Sunday. Thanks so much for use of the pavilion and availability of food and drinks after the race.

Champion Jerseys to 1st Place, Medals to top three in each class and Overall cash prizes were awarded.
