American Bicycle Racing's ILLINOIS State Road Race Championships

Mississippi Bluffs Road Race

JULY 17, 2010 - PORT BYRON, IL

SUPER HOT!!! Racing on a hilly (700 feet of climbing) 25km course. With 95 degrees, some breeze, the racers were going through one bottle of fluids per lap. Riders racing 75 or 100k with only two bottles and no support were in dehydration pain the last lap. The "sprint" to the finish was slow motion in the heat and up two hills to finish. Nice racing, bow to the Champs.
